PROFILE

A responsible, outgoing and positive girl born in 1993, from Gothenburg. I am studying M.Sc.eng in media technology, at KTH. Right now I am at my first year of my master, with focus on Interactive Media. I am well organized and able to manage various projects and priorities in a timely manner. I'm passionately curious, enjoy trying new kind of food, travel destinations, sports, technology and meeting new people. I have a passion for creativity, media and design.
